

McMinnville Wine & Food Classic — Sip!

The 27th annual McMinnville Wine & Food Classic, also known as “Sip!” gathers thousands of people from all over the Pacific Northwest together in celebration of Oregon wine and cuisine at Evergreen Aviation & Space Museum...*all for the benefit of children*. 2020’s event welcomes returning favorites as well as new producers, assembling 70+ of the region’s best wineries as well as a variety of chefs, bakers, breweries, distilleries, artists, artisans, and musicians.

McMinnville Wine & Food Classic — Sip! started in 1993 as a small school fundraiser, but has grown into one of the largest and most beloved wine and food festivals in Oregon. Today it attracts thousands of attendees from every age group, more than half of which have made it an annual tradition. In addition to the incredible setting and artisanal experience, this event provides essential funding for McMinnville’s venerable St. James Catholic school. Last year, the event raised \$174,000 — approximately 20% of the school’s operating budget, reducing tuition by \$1000 per student.

St. James Catholic School in McMinnville, Oregon was established in 1906 as a community of faith and learning. Students receive a challenging, high-quality academic experience in a supportive environment, with an emphasis on Catholic values. There is a strong partnership with parents, the first educators of their children. The self-discipline developed by students, along with learning to accept responsibility and to respect others, work together to create excellent life-long learners and responsible citizens.
